## WHAT IS INSIGNIA

We used to look up at the sky and wonder about our position in the stars and today we are looking towards the ground and waiting for something even bigger. SDMCET Dharwad brings you Mega event “INSIGNIA” held at the epicentre of North Karnataka with a footfall of 10k participants.

The students of the institute come together to create an event that is the expression of their creativity and technical prowess. What makes INSIGNIA special is its all discipline encompassing theme that is – where all the fields of engineering, medical, dental and business management can come together under one umbrella to participate, learn and enjoy.
